Mr. Aleem

Sir,

Re the purchase of two lorries

With reference to your letter No L 1876 dated 26-8-48, asking for certain information on the above subject, I have the honour to state that as already stated in this office letter No G 76/48 dated 4-8-48, it is proposed to purchase 2 Austin lorries with Body complete at a cost of Rs 21,900/- out of Rs 25,000/- provided for the purchase of 2 lorries and one water lorry and to get one of the lorries fitted with water tank etc , with the balance of amount available so that it may serve as water lorry The vehicle, when the water tank is detached, can also serve as ordinary lorry for transport of materials when occasion arises As such, the question of pruchasing a separate water lorry may be dropped once for all as the two lorries now porposed to be purchased would meet the requirements of the Board for the present

The quotations received from the Firms for the supply of lorries together with the comparative statement received in this office from the Secretary, Stores Purchase Committee have all been intimated to him with my remarks as desired by him

An extract of the comparative statement of quotations is obtained from the Secretary Stores Purchase Committee and enclosed for reference It is seen therefrom that the quotations offered by Messrs India Garage, Bangalore for Austin 5 Ton Lorry is more advantageous than others for reasons already explained in my letter of 4-8-49

P T O

In this connection, it may be stated that if these lorries now proposed to be purchased are not immediately taken delivery of, sales tax to the extent of Rs 1,200/- will have to be paid as the sales Tax rules come into force with effect from 1-9-1948 I have therefore taken delivery today of the lorries with a view to save the extra cost to the Board by way of payment of sales tax to the extent noted above

I request that in these circumstances the action taken by me may kindly be approved.

I have the honour to be,
Sir,
Your most obedient servant,

C.N. Narayana
